Applicants note that since the filing of the previous Information Disclosure Statement for this application, an Office Action has been received in related, co-pending U.S. Patent Application No. 10/695,401. The references listed on the PTO/SB/08 Equivalent were cited in this Office Action, which was mailed on March 9, 2006.

A copy of the Office Action is available through the Patent database. If the Examiner so requests, Applicants will provide the Examiner with a copy of the Office Action.

This Supplemental Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required. If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Respectfully submitted,
